Travel Details: Culmination Trip for Trixie and Bodie, November 3 to 6 in Orlando, FL

2 Students to attend (the caretakers for the dogs)

- TUSTEP President will be giving a speech at the ceremony about the program on Tulane's campus
- Requesting airfare for one student and lodging for the other: wants to minimize costs, but with 13 dogs on campus and the students already spending so much, they need the money

**Propose Funding in Full, \$500; 18-0-0**

## Global Brigades

Last Year's Budget: \$900, spent \$91.

Why Late: Entirely new student leadership team

Budget Details:

- \$5000 is 200/person, actually 800 per person but looking for a starting point
  - Unfamiliar with travel request process

- 17 people already signed up, need 25 to fund the trip
- Priority is organization fee: used for general fees, paid to national organizations, newly established this year, required

Debate Details:

- We do not fund fundraising materials
- Defer travel expenses for a later travel request
- Late, but exceptions have been made before

**Propose \$1500, all in Organization Fee; 12-4-2**

- 4 negative votes supported \$650 in the Fee: cutting the budget due to lateness and lack of spending
