

USG Finance Committee Minutes
Meeting: 4 April 2019
Senate Session Corresponding: 16 April 2019
Swim 4 Success Budget Request
Total Requested: 1490

VP Finance: Maggie Palys
Recorded by: Olivia Johnson

- 1042 Food
- 36 Miscellaneous (Paper Goods)
- 122 Advertising (Website)
- 290 Operating Supplies

Liaison Recommendation:

- Recommended Budget: 1490
 - 1042 Food
 - 36 Miscellaneous (Paper Goods)
 - 122 Advertising (Website)
 - 290 Operating Supplies
- Last Year's Budget: 1467
- Explanation:
 - This club has amazing programming, and a small increase could greatly improve their ability to have kids swim
 - Everything is a necessity

Presentation Details:

- This club teaches swimming lessons to NOLA youth that would not otherwise get access to a pool, or that cannot afford swim lessons
- They currently work with about 80 kids, and they have about 500 on their waitlist
- They won CACTUS outstanding organization last year, and are nominated again this year
- End of Year Celebration
 - They do a graduation-style ceremony for the children every year, and they have asked for cake, snacks, and paper goods to make this event happen
- Food
 - They provide weekly snacks for each swim lesson (a fruit, a drink, and a nonperishable item), which is the request for 702
- Advertising
 - They have a SquareSpace website that they use to communicate with parents, and potential members can add themselves to the waitlist via this website
 - The subscription is in the club's name, not in any individual member's name
 - They also have to pay for the domain name
- Operating Supplies – Toys, Goggles, etc.
 - Most of these children cannot afford these items themselves, so it is good to take the burden off of the parents and provide these items
 - These items also make the children more comfortable in the pool, especially when they are just starting out
 - Every year, they need to replace some of these items

Debate Details

- It looks like they have only spent 497 of their budget, but our spending data is delayed and they have events every week, so we know that the money is probably being spent
- This is a very well-explained budget, and this club spends their money; their budget is also very well explained, and the supplement document is great
- They are also using a Wavestarter campaign, which we really like

USG Finance Committee Minutes
Meeting: 4 April 2019
Senate Session Corresponding: 16 April 2019

VP Finance: Maggie Palys
Recorded by: Olivia Johnson

- Liaison recommendation is good

Vote: **1490, 14-0-1**

- **1042 Food**
- **36 Miscellaneous (Paper Goods)**
- **122 Advertising (Website)**
- **290 Operating Supplies**

NJBeats Budget Request

Total Requested: 1774

- 270 Printing (Sheet Music)
- 204 Printing (Programs)
- 900 Food
- 400 Salaries (Recorder/Videographer and Photographer)

Liaison Recommendation:

- Recommended Budget: 670
 - 270 Printing (Sheet Music)
 - 200 Food
 - 200 Salaries (Recorder/Videographer)
- Last Year's Budget: 450
- Explanation:
 - This is still a sizable increase, and recommendation is an increase because they want to have more events/performances this year
 - This is where an increase in food comes from, and programs
 - They would like to have more songs professionally recorded, but having more of this line item (Salaries) would increase their budget more than I am comfortable with
 - Keep Salaries at 200
 - They can go to the Programming Fund for their new events, so not funded

Presentation Details:

- This is the only Jewish contemporary acapella group on campus
 - They practice at least 5 hours per week
- They are requesting 270 for sheet music
 - It is more efficient and useful to write on a piece of paper in comparison to electronic; sheet music is the largest component of this request
 - For their concerts, they want to have professionally printed programs
- Food request is for concerts
 - They will spend 400 on concerts per semester; they typically spend about 130, but they always run out of food
 - They want to start having an extra concert each semester, in addition to their final concert; they have requested food for this as well
 - The food for their final concert needs to be kosher, which is more expensive, because members of the NOLA Jewish community come to listen
- Videography/Photographer
 - Group photoshoots create team morale, and they want to do one per semester
 - They also want to record their final concerts to put them on YouTube

- They have only spent 132 of their 450 budget from this year. Do you have plans to spend the rest?
 - Yes, they are saving the rest for the final concert to have enough kosher food and color programs
- Priorities?
 - Food
 - Then sheet music

Debate Details

- Liaison recommendation is 670, which is a large percentage jump from their budget last year
 - Recommendation is funding their new event, but not necessarily their old events
 - In reality, they can spend each line item how they want, not necessarily on the events that we think they will; food line item can be spent on food at any event)
- 600
 - 250 Printing (Sheet Music)
 - 350 Food (NOT the new event → they can do that with programming fund)
- Voting
 - 670, 9-5-1

Vote: **670, 9-5-1**

- **270 Printing (Sheet Music)**
- **200 Food**
- **200 Salaries (Recorder/Videographer)**

Public Health Student Government (PHUSG) Budget Request

Total Requested: 3950

- 100 Printing
- 3200 Food
- 150 Massage Therapist
- 250 Room Rentals
- 250 Operating Supplies

Liaison Recommendation:

- Recommended Budget: 3300
 - Line items
- Last Year's Budget: 3000
- Explanation:
 - asdfasd

Presentation Details:

- They are requesting 950 more than last year
- Because they cater virtually all of their events, Food is their biggest expense
- Rentals: sometimes rooms on campus cost money to rent, so this is what that money would go towards
- So far this year, they have only spent 479 of their 3000 budget
 - They are planning on spending the remainder for Public Health Week (allocated 200 for the Erica Hart event, 200 for paper goods, some for printing, etc.)
- Next year, they are hoping to have an event for their faculty mentors, which will cost 150

- Priorities?
 - Food is a priority, but they would rather see everything full funded, then the remainder go into food

Debate Details

- Liaison recommendation comes from a proportional cut from the number of grad students at events
 - The event is actually for undergraduates to learn about graduate schools, so OK with full fund of event
 - However, this would be a 10% increase in their budget, and are they ready for this jump? We don't think so
- Massage therapist
 - This year for the event with the massage therapist, they reallocated this money out of food
 - Does this mean they were overfunded for food this year?
- What about keeping their budget the same as last year, and trusting that they will spend the rest of this year's budget on Public Health week
 - 3000
 - 2300 Food
 - 100 Printing
 - 150 Massage Therapist
 - 200 Room Rentals
 - 250 Operating Supplies
- Liaison keeps recommendation on the table
- Voting
 - 3300, 0-14-1
 - 3000, 13-0-2

Vote: **3000, 13-0-2**

- **2300 Food**
- **100 Printing**
- **150 Massage Therapist**
- **200 Room Rentals**
- **250 Operating Supplies**

School of Science and Engineering Student Government (SSESG) Budget Request

Total Requested: 11450

- 900 Facilities Services (Snow Day)
- 250 Security (Snow Day)
- 200 Miscellaneous (SSE Week)
- 2150 Food (Snow Day, Class Events, SSE Week)
- 7950 Miscellaneous (Snow for Snow Day)

Liaison Recommendation:

- Recommended Budget: 11450
 - 900 Facilities Services (Snow Day)
 - 250 Security (Snow Day)
 - 200 Miscellaneous (SSE Week)

Senate Session Corresponding: 16 April 2019

- 2150 Food (Snow Day, Class Events, SSE Week)
- 7950 Miscellaneous (Snow for Snow Day)
- Last Year's Budget: 11650
- Explanation:

- Fund in full

Presentation Details:

- Snow Day is an annual event that they do that typically has strong attendance
 - They were more economical with their snow costs this year, but they would like to have more snow next year
 - The amounts for cleanup and security are the same as last year
- SSE Week
 - Happening next week, which is why their spending for it has not shown up yet
 - They have different events throughout the week, and one of the events involves bringing faculty and their families to Reily for events
 - Bringing these individuals costs \$10 each, and they are anticipating about 20 professors
 - Typically they have a crawfish boil
 - They did not do that this year, so they reallocated this unspent money into class events
- They do coffee and donut events every year with an SSE club showcase
- Why have you only spent 7800 of your budget this year?
 - They were able to spend less on food this year because they got tax exemption through the dean's office. However, this was not an ideal situation, and they don't anticipate it being a reliable source of cheap food
 - They anticipate spending all of their money next year
 - They will have 5 days of events for SSE week, which they will submit through reimbursements
- Snow Day increase... why?
 - They want more snow
 - They have increased by 1000 for the past few years, so they kept it in line

Debate Details

- Liaison recommendation is to fund in full
- By funding them in full, we are giving them a 1000 increase from last year, just for snow
 - Do we want to cut the increase, since they might not spend their whole budget this year?
- 10450
 - 900 Facilities Services (Snow Day)
 - 250 Security (Snow Day)
 - 200 Miscellaneous (SSE Week)
 - 2150 Food (Snow Day, Class Events, SSE Week)
 - 6950 Miscellaneous (Snow for Snow Day, other items) – 6500 for snow, 450 for other supplies
- 10700
 - Same budget as above, but only a 750 cut in snow, rather than a 1000 cut
- 10050

- Same budget as above, but cut food by 400, and keep the 1000 cut in snow
- 10700 taken off the table
- Voting
 - 10450, 8-4-3

Vote: 10450, 8-4-3

- **900 Facilities Services (Snow Day)**
- **250 Security (Snow Day)**
- **200 Miscellaneous (SSE Week)**
- **2150 Food (Snow Day, Class Events, SSE Week)**
- **6950 Miscellaneous (Snow for Snow Day, other items) – 6500 for snow, 450 for other supplies**

Tulane University Neurological Association (TUNA) Budget Request

Total Requested: 1300

- 675 Food
- 125 Honoraria
- 500 Operating Supplies (Outreach)

Liaison Recommendation:

- Recommended Budget: 1125
 - 500 Food
 - 125 Honoraria
 - 500 Operating Supplies (Outreach)
- Last Year's Budget: 1000
- Explanation:
 - 1125 is an increase from last year, all in food
 - 450 in food last year, 500 this year
 - Kept all of the necessary line items as fund in full, since this club does have good programming

Presentation Details:

- This year they were allocated 1000, and they are asking for a 300 increase this year
 - The one thing they haven't used this year is color printing, which they reallocated to food
- They went 26 over their budget this year, which they were able to cover through help from the Brain Institute
- They are increasing their request for Outreach Supplies, which are educational brain kits
- They are also increasing their request for food, since their public events with food are much more popular
- According to our records, they have only spent 100 of their 1000 budget
 - The Brain Institute covers the cost of needed supplies, and then they take the money directly out of the club's 2 account
 - This happened recently and there could have been some issues with it, so our data may not be updated
- Priorities between food and brain kits?
 - Both

Debate Details

Senate Session Corresponding: 16 April 2019

- Liaison recommendation is 1125, which is a 125 increase from last year
- Do they deserve an increase? The plans for spending are not that great for the upcoming year
- ~~1000~~
 - ~~375 Food~~
 - ~~125 Honoraria~~
 - ~~500 Outreach Supplies~~
- ~~1000~~
 - ~~500 Food~~
 - ~~125 Honoraria~~
 - ~~375 Outreach Supplies~~
- They have had great events throughout the year, and they have clearly spent their money; they might be able to do a lot more programming with a small increase in their budget
- Both 1000 numbers taken off the table; only number remaining is 1125 liaison recommendation

Vote: **1125, 14-0-1**

- **500 Food**
- **125 Honoraria**
- **500 Outreach Supplies**

Engineers Without Borders Budget Request

Total Requested: 1480.50

- 76.50 Printing
- 164 Advertising
- 1180 Dues and Membership
- 60 Subscription

Liaison Recommendation:

- Recommended Budget: 1250
 - 10 Printing
 - 1180 Dues and Membership
 - 60 Subscription
- Last Year's Budget: 1135
- Explanation:
 - Not all of the printing seems necessary
 - We typically do not fund subscriptions, because they are in the name of the individuals in the club, not in the name of the club
 - Dues and membership seem necessary for the club to function

Presentation Details:

- EWB is a service-oriented group currently working on a pipeline project in Ecuador
- Dues
 - They have to pay 900 for the club to exist as a chapter of the national organization
 - They are also responsible for paying 250 in individual student fees for the people in executive board positions, as well as the students going on the trip

- The 250 will cover 8 people partly, but there are more people going on the trip → they will fundraise to cover these people
- Subscription
 - The website domain costs money annually, and this is an increase from last year because they had a first-time deal that no longer applies
 - They also want to consolidate all of their information onto Google Drive for the club's email account; they are currently using this Drive, but they are running out of space and want to have this as a resource for the club in the future
- Printing
 - They print things to give out at their events
 - They also would like business cards for the organization, and professional-style brochures for potential donors
- Spending so far this year:
 - 900 of 1100
 - The trip they are going on at the end of the semester has a few more fees associated with it, so they will spend the rest of their budget on this; they also have a poster that they will spend money on

Debate Details

- Liaison recommendation in 1250, but after they have come in and have good plans for their entire budget, and have proven so much fundraising capacity, recommendation is changed to fund in full
 - OK with cutting some in printing, but since all of their subscriptions, etc. are in the name of the club, they are being very responsible with how they have spent their money
- They also go on a lot of trips that we do not fund, so by funding in full we could be offsetting some of the individual costs that being in this organization has for its members

Vote: **1481, 13-0-1**

- **76.50 Printing**
- **164 Advertising**
- **1180 Dues and Membership**
- **60 Subscription**

Abridged and Waived Hearings

Chinese Rights Initiative at Tulane (CRIT) Budget Request

Total Requested: 770

- 685 Food
- 60 Miscellaneous
- 25 Operating Supplies

Recommendation from Abridged Hearing:

- Recommended Budget: 295 or 515
 - 295 Food
- Last Year's Budget: 294
- Explanation:

Senate Session Corresponding: 16 April 2019

- Dumpling event → they asked for this last year, and it seems like it was a good event; this is where some of the food request comes from
- League of Legends event → they asked for this event last year, and we did not fund it
 - If they have spent their money, liaison thinks it is a reasonable increase to their funding, since they have proven programming capacity
- Miscellaneous → for a white board, which they got funding for last year; they shouldn't need another one; no funding
- Printing → no funding because they can print in the SOC
- Liaison was not able to sit down and talk to them about programming or spending, so this recommendation is dependent on what they did this year

Debate Details

- They have had great events this year
- After abridged hearing, recommendation is changed to 345, all in Food
 - This is for full fund of the dumpling event, and half fund for the League of Legends event

Vote: **345, 14-0-1**

- **345 Food**

THEM Acapella Budget Request

Total Requested: 2710

- 2250 Salaries (Sound Engineer)
- 150 Professional and Consulting Fees
- 60 Advertising
- 250 Conference/Competition Fees

Recommendation from Abridged Hearing:

- Recommended Budget: 2000
 - 1550 Salaries (Sound Engineer)
 - 150 Professional and Consulting
 - 50 Advertising
 - 250 Conferences/Competition Fees
- Last Year's Budget: 350
- Explanation:
 - They have raised a lot of money on Wavestarter (about 2000) for an EP; they still need funds to get the EP out, and they are asking for more money for it. We like that they are using Wavestarter successfully
 - They had to record at Loyola, but it wasn't the best situation and it isn't reliable
 - They have had issues with payroll for the person doing sound tech, which is why it doesn't look like they have spent much, but they have

Debate Details

- After abridged hearing, recommendation is 2000:
 - 1550 Salaries (Sound Engineer)
 - 150 Professional and Consulting
 - 50 Advertising
 - 250 Conferences/Competition Fees

Senate Session Corresponding: 16 April 2019

- THEM has significantly increased their programming this year, so this could be their time for a big increase
- 1150 (this is enough for one full song professionally mixed, and their conference registration)
 - 750 Salaries
 - 150 Professional Consulting Fees
 - 250 Conference Registration
- This would still be a huge jump from last year's funding, and give them a good opportunity to have a sizable increase, but not with so much money that they use it improperly

Vote: **1150, 13-0-1**

- **750 Salaries (Sound Engineer)**
- **150 Professional and Consulting Fees**
- **250 Conference Registration**

Cat Mafia Comedy Budget Request

Total Requested: 685.40

- 110.40 Printing
- 550 Minor Equipment
- 25 Advertising

Liaison Recommendation:

- Recommended Budget: 494
 - 69 Printing
 - 400 Minor Equipment
 - 25 Advertising
- Last Year's Budget: 519
- Explanation:
 - Printing – full fund for brochures and flyers, but no funding for posters that would go in dorms and around campus; these do not seem effective or necessary
 - Minor Equipment – full fund for props needed for 4 shows a year; no funding for “free giveaways” at shows
 - Advertising – full fund for advertising in the Hullabaloo

Debate Details

- They have only spent 89 so far this year, which is disappointing; we will be giving them a small cut
- Liaison recommendation is good

Vote: **494, 14-0-1**

- **69 Printing**
- **400 Minor Equipment**
- **25 Advertising**

Tulane Studios Budget Request

Total Requested: 2000

- 500 Concert Tickets

USG Finance Committee Minutes
Meeting: 4 April 2019
Senate Session Corresponding: 16 April 2019

VP Finance: Maggie Palys
Recorded by: Olivia Johnson

- 600 Honoraria
- 700 Facilities Rental
- 200 Advertising

Liaison Recommendation:

- Recommended Budget: 700
 - 700 Facilities Rental
- Last Year's Budget: 500
- Explanation:
 - They put on a show at The Willow with 150+ people, which was an unexpectedly good turnout
 - They spent their concert revenue first and tried not to spend their budget; at the abridged hearing they were told to do the opposite moving forward
 - They were also introduced to the programming fund, so they can put on more events potentially next year
 - When looking at the success of their events, the recommendation is for an increase
 - We will not fund concert tickets, and there were not many plans for the honoraria, so no funding for that

Debate Details

- Recommendation is good

Vote: **700, 13-0-1**

- **700 Facilities Rental**

American Institute of Architecture Students (AIAS) Budget Request

Total Requested: 675

- 275 Dues and Membership
- 400 Conference Registration

Liaison Recommendation:

- Recommended Budget: 300
 - 300 Conference Registration
- Last Year's Budget: 550
- Explanation:
 - This budget was interesting because the budget was frozen last year and they weren't able to register for their conference this year; this is fixed now and they should be good to go for next year
 - They no longer need dues paid, so we eliminated that from the budget
 - 300 for Conference registration instead of 400, because this is an estimate, and they can always come back with a travel request

Debate Details

- Recommendation is good

Vote: **300, 13-0-1**

- **300 Conference Registration**

Biology Enthusiasts' Association of Students at Tulane (BEAST) Budget Request

Total Requested: 1050

USG Finance Committee Minutes
Meeting: 4 April 2019
Senate Session Corresponding: 16 April 2019

VP Finance: Maggie Palys
Recorded by: Olivia Johnson

- 1000 Food
- 50 Office Supplies

Liaison Recommendation:

- Recommended Budget: 460
 - 460 Food
- Last Year's Budget: 700
- Explanation:
 - They have one main event every year that is good, and the biology department also pays for an event they have every year
 - Last year, they over estimated how much they asked for, and they will not spend all of their money this year; recommendation for this year is based off of how much they spent this year
 - They also did not make a compelling argument as to why office supplies are necessary

Debate Details

- Recommendation is good

Vote: **460, 13-0-1**

- **460 Food**

Youth Movement Against Alzheimer's' Budget Request

Total Requested: 263

- 15 Copying
- 15 Printing
- 90 Food
- 40 Honoraria
- 103 Operating Supplies

Liaison Recommendation:

- Recommended Budget: 263
 - 15 Copying
 - 15 Printing
 - 90 Food
 - 40 Honoraria
 - 103 Operating Supplies
- Last Year's Budget: 30
- Explanation:
 - The majority of their budget is in operating supplies, which are one-time costs
 - They have a good, specific spending plan for the upcoming year, and have grown since last year
 - Fund in full

Debate Details

- Recommendation is good

Vote: **263, 13-0-1**

- **15 Copying**
- **15 Printing**
- **90 Food**

- **40 Honoraria**
- **103 Operating Supplies**

Art Club Budget Request

Total Requested: 900

- 150 Food
- 350 Licensing Fees
- 400 Supplies (crafting workshops)

Liaison Recommendation:

- Recommended Budget: 900
 - 150 Food
 - 350 Licensing Fees
 - 400 Supplies (crafting workshops)
- Last Year's Budget: 700
- Explanation:
 - Multiple liaison emails and meetings. Very open to criticism/changing their budget based on my recommendations and took advice well.
 - 150 Food request is to provide food at half of their events. All of their events are open to the public, but I recommended not asking for food at the ones that did not need it, since it would have been a big jump in their budget. They took my advice and funded half of their events, and they chose the events where food was necessary. Full fund here.
 - 350 Licensing Fee request is to buy the rights to art-centered movies that they play at club events. They are trying to buy a specific movie, and have looked up how much it costs. They are asking for that amount, so full fund.
 - 400 Supplies for crafting events throughout the year. They need to purchase one-time-use items for their various crafting meetings throughout the year. Some of the items they need to purchase (screen printing supplies, printing ink, canvasses, etc.) are expensive, so I think 200 per semester is a good budget for their attendance. Fund in full.

Debate Details

- They did not show up for their abridged hearing
- Since food is an extra item and not necessary for the club, liaison recommendation is changed to 750:
 - 100 Food
 - 350 Movies
 - 300 Art Supplies

Vote: **750, 13-0-1**

- **100 Food**
- **350 Movies**
- **300 Art Supplies**

Culinary Club of Tulane Budget Request

Total Requested: 750

Senate Session Corresponding: 16 April 2019

- 200 Professional and Consulting Fees
- 550 Operating Supplies (Food)

Liaison Recommendation:

- Recommended Budget: 500
 - 500 Operating Supplies
- Last Year's Budget: N/A
- Explanation:
 - They do five events per year, and each one costs 100, so this would be a good first-time budget

Debate Details

- This is a very big first-time budget, are we comfortable? Also, do we want to put everything into the same line item?
- Since Operating Supplies for this club is just food, what if we did 450:
 - ~~250 Food~~
 - ~~200 Professional and Consulting~~
- 400
 - 200 Food
 - 200 Professional and Consulting
- 450 is taken off of the table
- These are still big budgets for a first-time club, so even though it is much less than they are asking for, this is what we are comfortable with
- Voting:
 - 400, 14-0-0

Vote: **400, 14-0-0**

- **200 Operating Supplies**
- **200 Professional and Consulting**

Tulane Roleplaying Club (TURC) Budget Request

Total Requested: 300

- 50 Food
- 100 Minor Equipment (rule books)
- 150 Operating Supplies

Liaison Recommendation:

- Recommended Budget: 200
 - 100 Minor Equipment
 - 100 Operating Supplies
- Last Year's Budget: 250
- Explanation:
 - They are requesting 50 in Food for an event (24 hour gaming marathon) that, although open to the public, seems very member-focused. I spoke to them about the programming fund for this event, and I think that would be a good source of funding instead of their budget
 - Request for 100 in Minor Equipment seems very reasonable and necessary for the club to function. They are trying to transition the club's resources from personal online accounts to physical copies of rule books, etc.

Senate Session Corresponding: 16 April 2019

- They are requesting 150 in Operating Supplies, which will be used on bags to transport materials to meetings. The items they will be spending this money on weren't clearly outlined, and I think they put 150 in this item to have the same budget as last year. Depending on their presentation and spending patterns this year, I would be open to increasing or decreasing this line item. My recommendation is 100

Debate Details

- They did not attend their abridged hearing
- They have only spent 124 so far this year of their budget, so liaison recommendation is good

Vote: **200, 13-0-1**

- **100 Minor Equipment**
- **100 Operating Supplies**

Veggie Club Budget Request

Total Requested: 2410

- 60 Minor Equipment
- 50 Official Banner
- 1500 Operating Supplies (food for events)
- 800 Honoraria (visiting professionals)

Liaison Recommendation:

- Recommended Budget: 1430
 - 60 Minor Equipment
 - 50 Official Banner
 - 920 Operating Supplies
 - 400 Honoraria (visiting professionals)
- Last Year's Budget: 950
- Explanation:
 - 60 request for Minor Equipment is for sustainable serving equipment/utensils, since a large focus of this club is sustainability through veganism and other behavioral changes. This seems like a reasonable request.
 - Similarly, the 50 request for an official banner is to have a sustainable choice for club advertising, rather than using paper in the SOC for one-time use. Although we typically do not fund this type of item, I think that the mission of the club provides an opportunity to support their efforts to be more eco-friendly.
 - Operating Supplies is intended to go towards food at all club events
 - According to the budget, they plan on having 16 events per semester
 - In the fall semester there are 16 weeks in total, including syllabus week, finals, and breaks. In the spring semester, there are 15 weeks.
 - They have allocated 46 per events for 16 events per semester, which works out to roughly 750 per semester in food that is needed.
 - This number of events seems excessive and impractical, so I have scaled down the budget to account for 10 food-based events per semester, excluding the other programming they have, which I feel is reasonable
 - I cut this budget from 1500 to 920

- Honoraria
 - They are hoping to bring visiting chefs to instruct the club on vegan recipes, techniques, etc.
 - For local chefs, each event costs roughly 185 to put on, which I have rounded to 200. Their budget implies they are hoping to have one of these professionals visit every semester, so the total amount needed is 400
 - They are also asking for honoraria for an out-of-town chef, which they think would be interesting to have. Although I think this is compelling, I am not sure what extra benefit an out-of-town chef would have versus a local chef that would justify such a price difference (185 versus 400 for one event). I have eliminated this extra funding from my recommended budget, but I am open to suggestion
- Although I have cut their budget significantly, this is still a roughly 50% increase from last year, which is a large jump for any club.

Debate Details

- This club opted to waive their hearing
- Liaison recommendation is good, and well-thought out; logic makes sense and it is still a very big jump from last year

Vote: **1430, 13-0-1**

- 60 Minor Equipment
- 50 Official Banner
- 920 Operating Supplies
- 400 Honoraria (visiting professionals)

Divest Tulane Budget Request

Total Requested: 442

- 292 Printing
- 150 Food

Liaison Recommendation:

- Recommended Budget: 392
 - 292 Printing
 - 100 Food
- Last Year's Budget: N/A
- Explanation:
 - This club has been inactive for the semester and year, but they are just now starting to get programming going again

Debate Details

- Three years ago, this club's budget was 625 (this was their most recent budget)
- Do we want to give them such a large budget (nearly 400), since the club is basically starting over like a new organization?
 - 330
 - 100 Food
 - 230 Printing (everything except stickers)
- Voting
 - 392, 3-10-1

USG Finance Committee Minutes
Meeting: 4 April 2019
Senate Session Corresponding: 16 April 2019
○ 330, 12-1-1

VP Finance: Maggie Palys
Recorded by: Olivia Johnson

Vote: **330, 12-1-1**

- **100 Food**
- **230 Printing**

Shockwave Reallocation Request

Total Requested: 1480

- Money will be transferred from their Dance Camp line item into New uniforms

Debate Details

- They're going to spend the money regardless, so we should give it to the line item they actually want

Vote: **1480, 14-0-0**

- **Dance Camp → Uniforms**
